ABMB 2016

Booth N7

December 1-4, 2016

Nicole Wermers and Margo Wolowiec

For Art Basel NOVA, Jessica Silverman Gallery will feature new works by Nicole Wermers and Margo Wolowiec that address the long-standing art historical issue of landscape. With works that are perpendicular to each other in all senses of the word, the booth will explore the urban and rural, quotidian and ideal, corporeal and digital through closely focused and panoramic perspectives on our environment.
